48 EURYDICE Scene 14  
① The Father leaves for work.  
He takes his briefcase.  
He waves to Eurydice.  
She waves back.  
She is alone in the string room.  
She touches the string.

The Lord of the Underworld enters on his red tricycle.  
Music from a heavy metal band accompanies his entrance.

His clothes and his hat are too small for him.  
He stops pedaling at the entrance to the string room.

② CHILD. Knock, knock.

EURYDICE. Who's there?

CHILD. I am Lord of the Underworld.

EURYDICE. Very funny.

CHILD. I am.

EURYDICE. Prove it.

③ CHILD. I can do chin-ups inside your bones. Close your eyes.

She closes her eyes.

EURYDICE. Ow.

CHILD. See?

You're pretty.

EURYDICE. You're little.

CHILD. I grow downward. Like a turnip.

EURYDICE. What do you want?

④ CHILD. I wanted to see if you were comfortable.

You're not itchy?

⑤ EURYDICE. No.

CHILD. That's good. Sometimes our residents get itchy.  
Then I scratch them.

EURYDICE. I'm not itchy.

⑥ CHILD. What's all this string?

Notes by: Jamie Salinger  
Date: 10/20/15

Act, Scene:	Page:	Actors:	Note:
Act 1, Scene 1	2	Valentina Diaz	"Their battle is between our masters and us their men" should not have any pauses.
Act 1, Scene 1	5	Alexia Pores	Gregory physically threatening you should be your impetus to lunge off the bench DSR.
Act 1, Scene 1	5	Darah Abrams, Alex Ostaffe	You must wait until after Sampson's line, "Draw if you be men" to draw your swords.
Act 1, Scene 1	9	Shai Cohen	Revisit the text within your "Alas the love..." speech. You are missing some of the antithesis.
Act 1, Scene 1	9	Shai Cohen	It is great that you are sharing with the onstage audience, but you need to play more to Benvolio at this point.
Act 1, Scene 4	14	Shai Cohen	Hold the paper down as you read the list so that we can see your face.
Act 3, Scene 1	55	Alexia Pores	"The day is hot," so you need to physically feel the heat.
Act 3, Scene 1	56	Dylan Jackson	Once your focus is on Mercutio, it cannot shift until Romeo enters.
Act 3, Scene 1	58	Matthew Paszkiet	In phrase 1, isolate your left shoulder.
Act 3, Scene 1	58	Dylan Jackson, Matthew Paszkiet	In phrase 1, syncopate your actions.
Act 3, Scene 1	58	Dylan Jackson	Be careful with the sword swipe. Your dagger came very close to Mercutio's face. Also, when you stab Mercutio, do not let the sword go too far.
Act 3, Scene 1	58	Matthew Paszkiet	Do not let the pain disappear during your speech "No. Tis not so deep"
Act 3, Scene 1	59	Shai Cohen	Remember the stages of grief (remorse, guilt, sorrow, anger) as you react to Mercutio's death.
Act 3, Scene 1	60	Darah Abrams	Don't sink into your hips. Keep your posture tight.
Act 3, Scene 5	77	Brennah Leone	Create different beats for your speech that begins "It is, it is..."
Act 3, Scene 5	84	Max Prissert	In your speech that begins "G-d's bread," don't shout too close to Juliet because then her mic will pick up your frequency.
Act 3, Scene 5	85	Brennah Leone	When hugging nurse, turn your head to the right so that her clothes don't cause static with your mic on the left.
Act 3, Scene 5	93	Max Prissert	In your speech that begins "Tush, I will stir about" you must slow down significantly.
Act 3, Scene 5	95	Brennah Leone	"Sutley," not "subetely." Connect to voice.
Act 4, Scene 5	97	Max Prissert	During "Stir, stir..." speech, repeated lines need to build in urgency.

### ACT 1

#### SCENE 1

The curtain rises on 1922 Manhattan, a platinum version of the Emerald City. Center stage, we see the silhouette of MILLIE in her Sunday best, a suitcase in each hand, her back to us. Slowly, SHE turns around. SHE is appealing and attractive, but more importantly, SHE has guts, pluck, charisma, moxie... call it what you will, SHE is a pragmatist who dreams big. MILLIE surveys the towering skyline that surrounds her. SHE's either very scared or very excited, or perhaps both. (music begins)

The lobby of the Hotel Priscilla, Residence for Young Ladies, a modest establishment, but by no means dirty or rundown. The entrance is U.S.R. On U.S.R. is a front desk, and behind it, a curtain which leads to MRS. MEERS' office. Above the desk is a rack with keys, and a sign: "No tapping in lobby." There is a tiny elevator in the center, shaped like a birdcage and barely big enough for two. GLORIA, ALICE, RITA, RUTH, CORA and LUCILLE, are poring over the pages of Variety.
